

REGION 6 EXECUTIVE SUMMARY

TOPIC: State Marine of Port Arthur Superfund Site, Port Arthur, Texas

DATE: August 25, 2011

CONTACT: Rafael Casanova, RPM (214-665-7437)

PURPOSE/ACTION NEEDED: Signature of Division Director

DEADLINE DATE: Next two weeks.

BACKGROUND:

The EPA issued a “No Further Action is Necessary” Record of Decision in April 2007. This decision was based on a Removal Action, which addressed the materials that posed a risk to human and ecological receptors, and the Human Health and Ecological Risk Assessments, that determined there was no risk to human health and the environment.

CURRENT STATUS:

The EPA is amending the previous Final Close Out Report to include “operation and maintenance” as required by Headquarters. Headquarters issued approval of the amended close out report by e-mail dated 8/23/11.

ENVIRONMENTAL/PUBLIC HEALTH CONCERNS:

There are no environmental/public health concerns.

TECHNICAL CONCERNS:

- There are no technical concerns.

REGULATORY/LEGAL REQUIREMENTS:

- A Final Close Out Report is required before the Site can be deleted from the NPL.

COMMUNITY CONCERNS:

- There are no EJ or State, Local or Tribal government issues.

RECOMMENDATIONS:

Recommend signature of the close out report.
